CHRIST THE KING

# PREFACE

---

Text Drawn from the Obelisk

---

Before Saint Peter's, Rome

---

*Christus regnat* . . Through the executive board and through our faculty of priests and nuns Christ reigns in our lives. These men and women, dedicating their interests and even their lives to God and His work, are constantly striving to attain the end for which the school was established twenty years ago. Through example, through counsel and through inspired teaching, these followers of Christ the Shepherd, have instilled in us a desire for the truly worthwhile, the truly Christ-like things of life.

*Christus vincit* . . . Through His army of youth Christ conquers and will continue to conquer in days to come. The class of '43 like Galahad and the knights of old go fearlessly into battle. What kind of battle will this be?—a struggle for the security of the four freedoms, for a just peace opening equal rights to all, and the endeavor to reconstruct a war-torn world. We, "an army of youth," undaunted by the magnitude of our task, will be victorious despite obstacles since Christ is our commander, Truth is our banner and the Cross is our sword . . *Christus imperat* . . . . . During our four years at Catholic High our lives have been dominated by the ever-present Christ. In every phase of curricular and extra-curricula activities His loving guidance has been felt. In our studies, at our sports, during our dances Christ was with us. So it will be in future years. As we build our lives, as we attempt to make a better world in which to live, Christ will continue to reign, to conquer, and to command.

*His Excellency, Edmund F. Gibbons*  
BISHOP OF ALBANY

*A*LTHOUGH the earlier part of his priesthood was spent in Buffalo, Bishop Gibbons is a true Albanian. In preparation for his vocation, he attended the North American College in Rome. In the seminary, he became director of the choir, a work he enjoyed. Since he was ordained in 1893, May 27 of this year will mark his golden jubilee. His first appointments brought him to Buffalo, where he became pastor of Saint Theresa of Avila's parish. His next step was an important one. He became superintendent of schools in the Buffalo Diocese and carried on many admirable projects in this position. On March 25, 1919, he was consecrated Bishop of Albany, an office which he has executed faithfully for the last twenty-four years. He should be especially indebted to him for his wisdom and foresight in advocating, organizing and promoting Catholic Central High School, our own Alma Mater. His present favorite project is the Diocesan Mission Aid, which he organized to help the poor parishes in our own diocese.

*Right Rev. Monsignor*  
*Edward J. Maginn*  
Vice-President

From the very beginning of his priestly vocation, Monsignor Maginn has taken an active part as Chancellor in the affairs of the Albany Diocese. He holds a position next to that of the bishop, serving as Vicar-General and taking the Bishop's place during his absence.

*Rev. Raymond Rooney*  
Secretary

The Very Reverend Raymond Rooney holds the distinction of having risen to high official position in a Diocesan Curia more quickly than any other of his colleagues in the United States. The week after ordination in 1935 he was named Vice-Chancellor of the Albany Diocese and within a year he became its Chancellor.

*Rev. T. Gerald Mulqueen*  
Principal

After four years of close association with Father Mulqueen, we, the class of 1943 wish to express our full appreciation of the kindly guidance and capable instruction he has provided us here at Catholic Central High School. It will influence our conduct as we probably shall never fully realize, but it seems impossible that any one of us should fail to be a better man or woman for having had this contact.

*Rev. Edmund J. Burns*  
Treasurer

For fifteen years the students of Catholic Central High School were under the guidance and outstanding leadership of Father Burns. As the character of an individual is set in youth, so the character of an institution is set in its first years. To Father Burns is due the credit of establishing Catholic Central High School as an educational force of significance in the vicinity.

*Rev. John C. Carey*  
Trustee

In the period of years that Father Carey has served St. Patrick's Parish in Watervliet, he has shown himself a pastor of his flock and an able manager of parish affairs. He brings to his position as trustee of our school the insight and experience of one who has labored successfully in parochial and civic interests.

*Rev. James J. Dasey*  
Trustee

This year Father Dasey will celebrate his 35th anniversary as a priest. During his priesthood he has served as a beloved pastor in many churches and is now pastor of the second oldest church in the city of Troy, St. Mary's. Father Dasey is well known as an outstanding speaker who has a keen interest in the educational affairs of Troy.

*Rev. John S. Daly O. S. A.*  
Trustee

Father Daly, a native of Lawrence, Massachusetts, who received his B.A. and M.A. degrees from Villanova College, was ordained in 1911 in Philadelphia. From 1926 to 1941 Father was stationed at San Diego, California, where he founded and was the pastor of St. Patrick's Church. Since 1941 he has been the pastor of St. Augustine's Church in Troy.

*Rev. Ladislaus E. Guzielek*  
Trustee

Father Guzielek entered St. Bernard's Seminary from St. John Kanty College of Erie, Pennsylvania. He was ordained in 1924 in the Cathedral of The Immaculate Conception in Albany. His most noteworthy accomplishment since becoming pastor of The Immaculate Conception parish in Watervliet is the opening of the parochial school there.

*Mr. Maurice H. Hartigan*

Trustee

Mr. Hartigan has been enthusiastic and co-operative in promoting the interests of Troy. Formerly he was associated with the National State Bank as vice-president and is now a trustee of that bank. All his life he has been a merchant, and his position at the present time as one of the trustees of our school gives us services supported by these years of practical experience.

*Dr. Frank M. Sulzman*

Trustee

One of Troy's most outstanding citizens and doctors is Dr. Frank Sulzman. Dr. Sulzman has degrees from Albany Medical College and Villanova. He attends at several hospitals in the vicinity and at St. Vincent's and St. Coleman's Homes. In the forty years that he has been practicing in Troy his most important work has been his research work on hearing. His interests are wide and his service in any of them valuable.

Our Reverend Principal with servers Richard Collins and James Crandall . . . .

Father Justus Sweeney, O.F.M., our retreat master . . . .

Every plot must have a moving action. This is an axiom accepted by the world at large. What could be more fitting than that in Catholic Central High School where Christ lives, works and plays with us the moving action should be our annual Retreat. For three days we engage in a spiritual housecleaning in order to make ourselves more worthy companions of Jesus and more fitting members of His Mystical Body. From this period of reflection we derive all the grace and wisdom necessary to carry on our course of activities. As has been said before, this retreat is an annual occasion. Underclassmen and upperclassmen participate in it alike. However, whether it is because of the fact that it is their last retreat in Catholic High or because they are for the first time able to appreciate it and its opportunities fully, the seniors traditionally speak of it in the possessive term. It is their great spiritual graduation gift from their Alma Mater.

Speaks for itself— and for us . . . . .

The four retreats we have made here have been fruitful ones. We have been counseled by such delightful retreat masters as Father Rooney, Father Barrett and Father Carra-bine, each of whom understands youth as it wants to be understood and loves youth as it wants to be loved. Our senior Retreat Master, Father Justus Sweeney, had all the admirable qualities of these three rolled into one.

An informal moment . . . .  
Ruth Tillotson, Mary Mahoney, Father Sweeney, Howard Bennett and Ned Conway

Retreat choir . . . .

Father had the ability to make a serious point through a humorous story. The retreat had one theme and that theme was love—the infinite love of God for man and the searching love of man for God. Father Sweeney told us again and again how important we are to God and how vigilant we must be to justify that importance. The first conference was a general one, but as Father continued he took each problem an individual Catholic ordinarily encounters and treated it in as average a manner as was possible. For those who had any particular question, however, he was available between conferences for a private talk. The three days went by in an atmosphere of silence, silence that was golden because it was fruitful. On Friday morning the senior class went to Communion in a body, and almost before we knew it we were at two-thirty conference that afternoon. Our retreat was over; we were at peace and alert to new beginnings. We had all learned again that Catholic life can be beautiful when it is lived as it should be lived.

The ambition of these students is to become future secretaries and typists in the business world.

Though no one has discovered anything vitally important to civilization, the future may yet yield something worthy of note in our researches. If sometimes even tried and proved experiments go awry we take the attitude that experts take—do it over.

## *The Triune*

"Something new has been added" to our various interests. The student publication, **The Triune**, established by the class of '43, mirror-like reflects the life of the school.

In search of improvement, the staff formed The Scanlon Chapter of "The Quill and Scroll", named in honor of a prominent Catholic editor.

At the 1943 Columbia Scholastic Press Conference, **The Triune** was awarded third place among senior high newspapers.

**The Triune** is begun and improves under Alice McCaffery, associate editor; Tom O'Brien, editor; John Foley, sports editor and May Cahill, feature editor.

## 1943 *Catholicon*

The staff was chosen; a meeting of advisors and co-editors (Shirley Van Heusen and Joe Stenard) was held in October and the yearbook was under way! Our financial program, under the able direction of Ruth Tillotson, was comprised of advertising and patronage campaigns. Thanks to Betty Doocey and Betty Donovan, all our clerical work was handled quietly and efficiently. The write-ups are the work of a number of seniors. Ideas formulated at the initial meeting, combined with pictures, write-ups and all other material that goes into the making of a yearbook were finally laid out in black and white on March 26—and so here it is! We hope you like it!

## *Dances*

Practically every senior has either attended these affairs or contributed his efforts to making them successful. A number of dances were on our social program this year. The first of the season, at Hallowe'en, was a semi-formal affair. In order to help finance **The Catholicon**, a series of six vic-dances supplied a periodical interest. On December 28, the Senior Ball, the only formal dance of the year, was held. Because of war-time measures, the Easter Dance and June Prom took on new aspects. The Easter Dance was changed to a sports-hop whereas the June Prom was limited to senior attendance. Previously the Prom was for members of both the Junior and Senior Classes. Although some social affairs have been dispensed with, Catholic High did not entirely discontinue its social program.

## Interim

When we think of school, we usually think of the same routine: subjects, tests, homework and sometimes ninth period. Yet school is not an uninteresting task to which we are forced to submit ourselves; it is a place where we meet young people our own age and form companionships that are lasting. Our character and personality, so important to every boy and girl,

are developed. S.S.A., a half hour reserved between third and fourth periods, is used by the students for study, sodality and other social affairs of the school. Between periods there is a three-minute interval that affords pupils time to talk over the latest news notes of the school. These matters make school life interesting and varied from the usual procedure, thereby helping us to "whistle while we work."

Best period in the day . . . .

Time for lunch at Catholic High! "Caf" time is the period when everyone is permitted to utilize his vocal chords conversing with his friends. For the upperclassmen this is fifth period; for the freshmen and sophomores it is fourth period. There is a mad rush to "get in line". Many "squeeze in" to get their "coke" and cake before the main course. Grace before meals is said by Father Mulqueen or one of his capable assistants. Between bites the "newsy tales" provide diversion for the students, who reach the high peak of animation in this period. The latest "moron stories" circulate until the feeble remnants of these jokes are more imbecilic than those featured. The inventive minds of C. C. H. S. humorists supplement these quotations and the barter and banter go on. Having refreshed ourselves, we listen to Father Mulqueen's reading of the daily announcements. When all's said and done, Father dismisses the tables by means of signals with his fingers. We then resume our classwork.

At three o'clock in Catholic High there is a great deal of commotion. Another school day is finished for some, but for others there is ninth period in which some expiate for tardiness or delinquency in homework. Still others gather to discuss the affairs of the day. A number are seen on the first floor purchasing school tokens from Mr. Gauthier. The more patriotic buy defense stamps from the Social Action leaders stationed at a table on the second floor. Club meetings and other social activities of the school are under way. There is a general air of relaxation and relief.

## *Dramatics*

Ready on stage! Lower the house-lights! Curtain! Eight times in the past year that familiar old cry of the theatre has echoed through our auditorium. It all meant that the "grease-paint gang" was off on another production of some sort. For this we must thank Miss Miller who gave so gratuitously of her talents to direct these skits; second, we must thank the cast for their unselfish endeavor to make the productions the great success that they were; and third, our thanks reach out to the stage hands—the "unsung heroes" of any production.

Reminiscences!

WHY THE CHIMES RANG, our Christmas play, by McFadden, offered us three acts of entire enjoyment. The one-act play contest, which included HER FATAL BEAUTY, ETERNAL LIFE, and WHO MURDERED WHO, brought to the front Miss Ranney, who played in the victorious play, WHO MURDERED WHO. Lady Gregory's THE RISING OF THE MOON, and her THE TRAVELER,

## *Football*

Catholic High had a rather poor football season this year, winning but one game and losing four games. Still the season was successful in a way because the boys who played had a lot of enjoyment out of it and they also helped to prepare themselves physically for entrance into the armed forces. The training is important because the boys who played will eventually all be in one of the branches of the armed services; some who participated in football this season have already answered their country's call. Bob Laurent, who was a great player, entered the United States Navy after the football season was over and Art Griffin, the regular halfback, is now working in a defense plant. Most of the other boys who were on the team are due to leave during the next few months.

Catholic High won their first game by beating Cohoes High School but then they lost to Christian Brothers, Vincentian, and Lansingburgh respectively. Next was the game that the boys wanted to win—that with La Salle. Many of the students also had high hopes of a victory. Catholic High started out as if they were going to live up to advance notices, but two quick touchdowns by La Salle took the spirit out of them; La Salle piled up too great a lead to overcome, and the boys were defeated.

## VINCENTIAN 20 — C. C. H. S. 0

On Sunday afternoon, October 25, Catholic High journeyed to Albany to play a strong Vincentian eleven which had the week before defeated LaSalle 13-0. The first half was all Vincentian's as they drove to three touchdowns and kicked two extra points for a 20-0 lead at half time. The Purple and White, after an inspiring pep talk by Coach Joe O'Kane, came out for the second half with fire in their determination and played the best football game of the season, holding V. I. scoreless in the last half. There was one gloomy note in the game. Phil Barrett, an outstanding guard and one of the best players on the team, severely twisted his ankle and had to leave the field. It was doubtful whether he would be ready for the La Salle game, which was the last of the season.

## LANSINGBURGH 18 — C. C. H. S. 0

On Monday night, October 19, Catholic High played an undefeated Lansingburgh High team and lost 18-0. The game, for the most part, was played in Catholic High territory. Gene Lennek scored all the points for the "Burgh". In the last period, however, Catholic High's passing attacks started to function and they had driven to the "Burgh" twelve yard line when the game ended. Phil Barrett and Art Griffin showed up well for Catholic High.

## LA SALLE 26 — C. C. H. S. 0

On Tuesday afternoon, November 3, La Salle defeated C. C. H. S. 26-0 at La Salle field. La Salle scored early in the first quarter when Furdyna threw a four-yard pass to Jim Duffy in the end zone.

The teams battled evenly throughout the rest of the first quarter. In the second quarter, Jim Ryan's kick was blocked and it rolled over the goal line; Jim Duffy recovered for the second La Salle touchdown. Furdyna converted for the extra point to make it 13-0 in favor of La Salle. Catholic High started to function until one of Ryan's passes was intercepted, and then just before the half ended Delorey of La Salle drove over from the five-yard line for La Salle's third touchdown. Furdyna passed to Cahill for the extra point to make it 20-0 at the half. The game see-sawed back and forth until late in the third quarter. Another of Ryan's

kicks was blocked and La Salle recovered on Catholic High's 25 yard line. On the next play Mike Furdyna unleashed a 25 yard pass to Joe Cahill, who scored, making the score 26-0 in favor of La Salle as the third quarter ended. The fourth quarter was evenly matched until about the middle of the period; then Catholic High's air attack began to move. Catholic made two first downs on two successive passes to Bob McCarthy, but the third pass was intercepted by Bob Kehn, La Salle center, and the threat ended. When the game ended, La Salle was again down in Catholic High territory.

#### C. C. H. S. 6 — COHOES 0

On Saturday night, September 26, Catholic High beat a fighting Cohoes High team 6-0. It was a slow game throughout because of penalties and time-outs, but the issue was never in doubt. In the first period Cohoes fumbled and Catholic High recovered on Cohoes territory. Catholic High then started its only scoring drive with Bob Laurent, a hard charging fullback, going over from the one-yard line for the score. The pass for the extra point was incomplete. From then on the ball was in Cohoes territory most of the time, but the "Eighth-streeters" could not shove it across. The game finally ended with Catholic High down on Cohoes' one-yard line. Jim Ryan and Bob Laurent excelled in the backfield, and Phil Barrett starred in the line for the Purple and White.

#### C. B. A. 27 — C. C. H. S. 6

On Sunday afternoon, October 4, Catholic High absorbed a 27-6 defeat by Christian Brothers Academy's powerful team. The game was, for the most part, played in Catholic High's territory. C. C. H. S. was able to get the ball in C. B. A. territory just three times during the game.

Catholic High kicked off, and C. B. A. immediately drove for a touchdown. C. C. H. S. then stiffened and held C. B. A. until the half ended with C. B. A. leading 7-0. At the outset of the third period, C. B. A. drove for another score. Then Catholic High's vaunted passing attack started to click and Catholic High rolled to the 50 yard line. Pete Scaringe, the C. B. A. star of the day, intercepted a pass from Jim Ryan, which was intended for Bob McCarthy, and ran fifty yards for another touchdown. Late in the fourth quarter Catholic High got a touchdown on a pass from Jim Ryan to Joe Talbot in the end zone. In the last few minutes, Pete Scaringe, who had played a wonderful game all day for C. B. A., went over for the last touchdown. Phil Barrett, Mike George, and Jim Ryan stood out for Catholic High in a losing cause.

## Basketball

Catholic High's basketball team had a good season this year. They won ten games and lost eight. They ended in a tie for second place in the Catholic League and tied for third in the Principals' League.

At the end of the season the Principals' League had a banquet which all the players and coaches of the six teams in the league attended. These schools are Catholic High, Troy High, La Salle, Watervliet, Lansingburgh and Cohoes High. At the banquet La Salle, who were the champions this year, was presented with a plaque. Also the All-principals' League team was announced. Two of our boys were honored. They were John Kelly, who was appointed to the first team and Bob Degnan, who was placed on the second. This season was one of the best seasons in history for this city and it was appropriate, too, because most of the players on all the teams will soon be playing the biggest game of all.

C. C. H. S. - VINCENTIAN—Catholic High's basketball team opened the defense of its Catholic League Championship on December 4, when they defeated Vincentian Institute 31-17.

The teams were tied at the quarter but Catholic High was ahead 17-10 at the half, and in the second half Catholic High increased its lead and won going away. Degnan and Quinn with seven points apiece, McCarthy and Kelly with six each, and Jim Ryan with five led the attack for the purple.

C. C. H. S. - LANSINGBURGH—On December 11, Catholic High won another game by beating Lansingburgh High 34-31 in their first Principals' League game. Catholic High held the "Burgh" in check until the last period when the losers came within three points of tying the score. In the last period Catholic High was able to get only one basket but had already built up an insurmountable lead and Lansingburgh fell short. John Kelly with twelve points led the attack for Catholic High.

C. C. H. S. - ST. MARY'S, AMSTERDAM—On December 18, Catholic High traveled to Amsterdam to meet St. Mary's and there also they met their first defeat of the season, 46-33. Catholic High was unable to cope with their opponents' offensive drive from the start; yet at half time they were trailing by only four points. In the second half, however, St. Mary's really opened up and smothered Catholic High. John Kelly was the high scorer for Catholic High with ten points.

C. C. H. S. - LA SALLE—On January 15, La Salle Institute's unbeaten cagers crushed Catholic High 46-27 to give the purple their second defeat of the season. The issue was never in doubt as La Salle led all the way through the game. This defeat put Catholic High back in second place in the Principals' League. Jim Ryan with nine points and John Kelly with seven topped the Catholic High offensive.

C. C. H. S. - C. B. A.—On January 22, Christian Brothers' Academy beat Catholic High 26-22 in a poorly played game at C. B. A.'s new gym. The score was tied at the half, but C. B. A. pulled away in the second half to win. Joe Dowd was the top scorer for C. C. H. S. with seven points. Catholic High seemed to be in a slump in this game; they should have won easily as was proved in a later game when they beat the same team 40-24.

C. C. H. S. - TROY HIGH—On January 30 Catholic High met its rival Troy High and defeated them 40-35. It was the first time Troy High had been defeated on their home court in three years. It was a close game all the way with most of the action in the last period, in which C. C. H. S. outscored Troy High 19-14 to win. John Kelly with ten points and Bob McCarthy and Tom Ryan with nine each led the attack for Catholic High.

C. C. H. S. - COHOES—On December 19, Catholic High crushed Cohoes' inexperienced quintet 36-14 to stay unbeaten in the Principals' League. The game started off slowly with Catholic High leading 7-2 at the first quarter and increasing it to 20-4 at half time. The purple score continued to mount in the second half; we won by twenty-two points. Jim Ryan with eight points and Joe Dowd with seven were the high scorers for Catholic High.

C. C. H. S. - CATHEDRAL—On January 8, Catholic High chalked up its fourth win in five starts by defeating Cathedral Academy of Albany 58-48. In a high scoring game, which totaled 106 points, Catholic High led 17-16 at the quarter and 33-27 at half time. In the third quarter the purple really began to click and they were ahead 50-34 at the three quarter mark. Cathedral rallied in the last quarter, but Catholic High had too great a lead. John Kelly with twenty points and Bob McCarthy with fifteen led the victory for Catholic High.

C. C. H. S. - COHOES—On January 9, Catholic High again beat Cohoes by a much smaller margin. Catholic High led at the half by 20-13, but Cohoes outscored them in the last half 19-15 and lost by only 35-32. This was an unusually rough game with 31 fouls being called by the referee. Jim Ryan and John Kelly with eleven points apiece led in the totals for Catholic High.

C. C. H. S. - VINCENTIAN—On Friday night, February 5, Catholic High met unexpected opposition from Vincentian whom they had defeated before by fourteen points. V. I. was ahead at the first quarter by 6-2, but Catholic High went ahead 15-13 at the half and increased the margin in the second half to win by five points. Dan Quinn with fifteen points led the attack for the purple.

C. C. H. S. - LANSINGBURGH—On February 12 Catholic High edged out Lansingburgh High in a close game 32-31. John Kelly's field goal in the last two seconds won the game for Catholic High. Lansingburgh took an early lead and led 19-11 at half time. The "Burgh" still led 27-20 at the third quarter mark, but C. C. H. S. outscored them 12-4 in the last period to edge them out. John Kelly with ten points led the attack for C. C. H. S.

C. C. H. S. - ST. MARY'S AMSTERDAM—On February 16 Catholic High lost to St. Mary's Amsterdam 32-30 for the second time this year. St. Mary's went 'way ahead in the first period, and Catholic High couldn't make up the deficit. Height made the big difference as St. Mary's team averaged six feet. Kelly with twelve points topped Catholic High.

Bob Degnan wings one in.

C. C. H. S. - CATHEDRAL—On February 9, Catholic High again beat Cathedral 42-32 at Albany. C. C. H. S. led at the half 19-18 and at the third quarter 30-29, but then the purple attack went into high gear and they outscored Cathedral 12-3 to win by ten points. John Kelly with eighteen points and Bob McCarthy with eight points led the attack for Catholic High.

C. C. H. S. - WATERVLIET—On February 20, Watervliet topped C. C. H. S. 41-36 in a tight game for their ninth straight victory. Catholic High took an early lead and led at the half 21-17, but Watervliet came back to knot the count at 30-30 at the three-quarter mark and went on to win in the last quarter. Kelly was the high scorer for C. C. H. S. with eleven points.

C. C. H. S. - LA SALLE—On February 26 La Salle Institute won the city championship by beating Catholic High 42-27 for their second win of the year over the purple. La Salle built up a 29-8 lead at half time. In the second half C. C. H. S. rallied, but the lead was too great to overcome. Bob Degnan with nine points led the attack for Catholic High.

C. C. H. S. - C. B. A.—On March 5, C. C. H. S. swamped C. B. A. 40-24 to avenge an earlier defeat. Catholic High scored fourteen

points before C. B. A. rallied to make it 24-16 at the third quarter, but Catholic High came back again to win by sixteen points. Kelly with eleven points was high scorer for C. C. H. S.

C. C. H. S. - WATERVLIET—On March 6, Watervliet High's all winning basketball team chalked up their twelfth straight win of the season by routing Catholic High 51-37. Watervliet led all through the game as C. C. H. S. couldn't seem to get started. Quinn with ten points led Catholic High. This was the last game for Coach Joseph O'Kane who left Catholic High to become Ensign O'Kane of the United States Navy.

C. C. H. S. - TROY HIGH—Catholic High ended their 1942-43 season March 13 by losing to Troy High. Catholic High lead at half time 20-18, but Troy High led at the third quarter 35-30 and was never headed after that. John Kelly with sixteen points and Bob McCarthy with nine points were high scorers for Catholic High.

## *The Job Ahead*

Our all-too-brief stay at C. C. H. S. having come to an end, the question arises: "What now?" We have spent our time in school to prepare for the place we are to fill in the world. Many of us need not worry about the future, for the draft has decided what we shall do until the final victory is ours. For the interested boys a test was given at C. C. H. S. to enroll them in a school for the training of officers in any branch of service. To the successful candidates we can only wish all the luck in the world. Those who wish to go into business have an opening awaiting them in almost all fields. Their eyes should, however, turn to the industries which are bringing the day of final victory a bit nearer.

Last is the group to take a place in some profession in later years. These are going to college, to seminary or into religious life. They, whether they realize it or not, are to be the backbone of the nation in post-war days. For this reason each preparatory step should be taken carefully so that the most can be extracted from the least in the shortest of time. From the beginning of the war Catholic High has shown its eagerness to do its part. Over 500 alumni are already in service, two of them being army Chaplains. During our junior year, Father Konisky of our faculty left us for the army, and this year Joe O'Kane, our coach, and six of our seniors (see page 70) enlisted.

Because there are so many of our former students and now four faculty members in the armed forces, it seems appropriate that Catholic Central should have its own service flag. Through the unfailing efforts of the Christopher Club, under the direction of Father Flynn, the money was raised. On April 9, the services for the blessing of the flag were held. Father C. Henri Tessier, because of his many years at Catholic High, was chosen to dedicate the flag.

In introducing Father Tessier, Father Flynn stated that many of the boys in the armed forces had been taught by Father Tessier. With the thought that these boys, 515 in all, were taught by the priests of our faculty we can be almost assured that their faith will shine through many dark hours to victory.

Another great task assumed by members of the faculty is that of chaplain in the armed forces. Besides Father Konisky, Father Glavin and Father Slavin left us in May to become chaplains, the former in the army, the latter in the navy.
